

WORKING GROUP GUIDANCE

REPORT BACK:

Begin to frame the “*why*” portion of the problem solving dynamic by identifying at least 3 key elements of the positive experience we need to create in order to transform the area into a neighborhood of choice.

Why People of Choice will be attracted to the Education & Workforce System

- Strong Community College with Workforce Training & 2 year College Degree Training
- Schools which compete on test scores & state report cards
- Strong School extracurricular activities – sports, other physical activity, updated technology lab, etc.
- Positive School/Business Partnerships
